TREE KIT OPTION:

This surface mount is designed to be used on all types of surfaces including trees. For attaching to trees, stainless steel hanger bolts can be ordered with the mounting cap and base. They are available in 3", 4" or 5" lengths. In addition, you can specify that a driver bit be included to install the hanger bolts with a drill gun. One driver for every 20 mounts is shipped when a driver is specified in the catalog number.
